Push inside for steeper curves

Try some more

*experiment*

Pattern #32

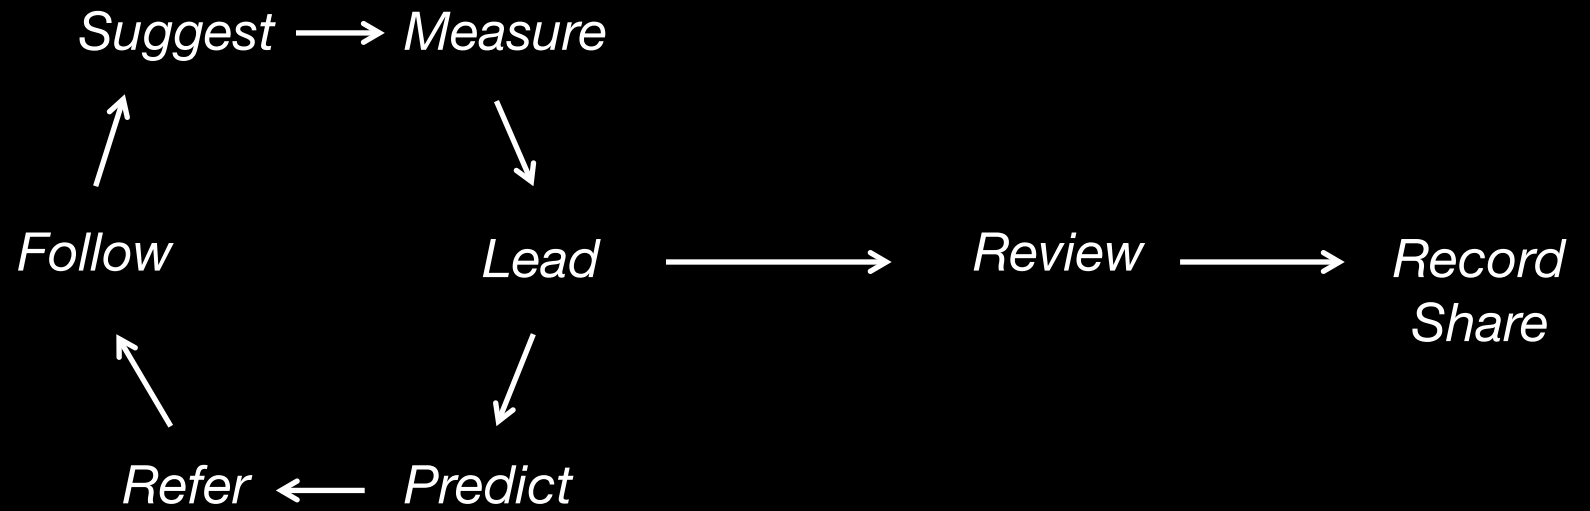

A photograph showing three ceramic pots in various stages of completion on pottery wheels. The pots are light-colored with horizontal ridges. The background is a wooden workbench with some tools and a white cloth. The lighting is soft and natural.

Pot #1  
Mostly followed

Pot #2  
Learnt to  
use tools

Pot #3  
Experimented, mostly lead

*review*

*Expert resources at fingertips*

*Digital mind, Real experience*

*Explicit mistakes*

*Quick intuition*

*Technology for nerve simulation*

*Tasks that require bare hands*

*Need artifacts*

*Lead / Follow boundary*

*Expert coded knowledge*

To follow the path

Look to the master

Follow the master

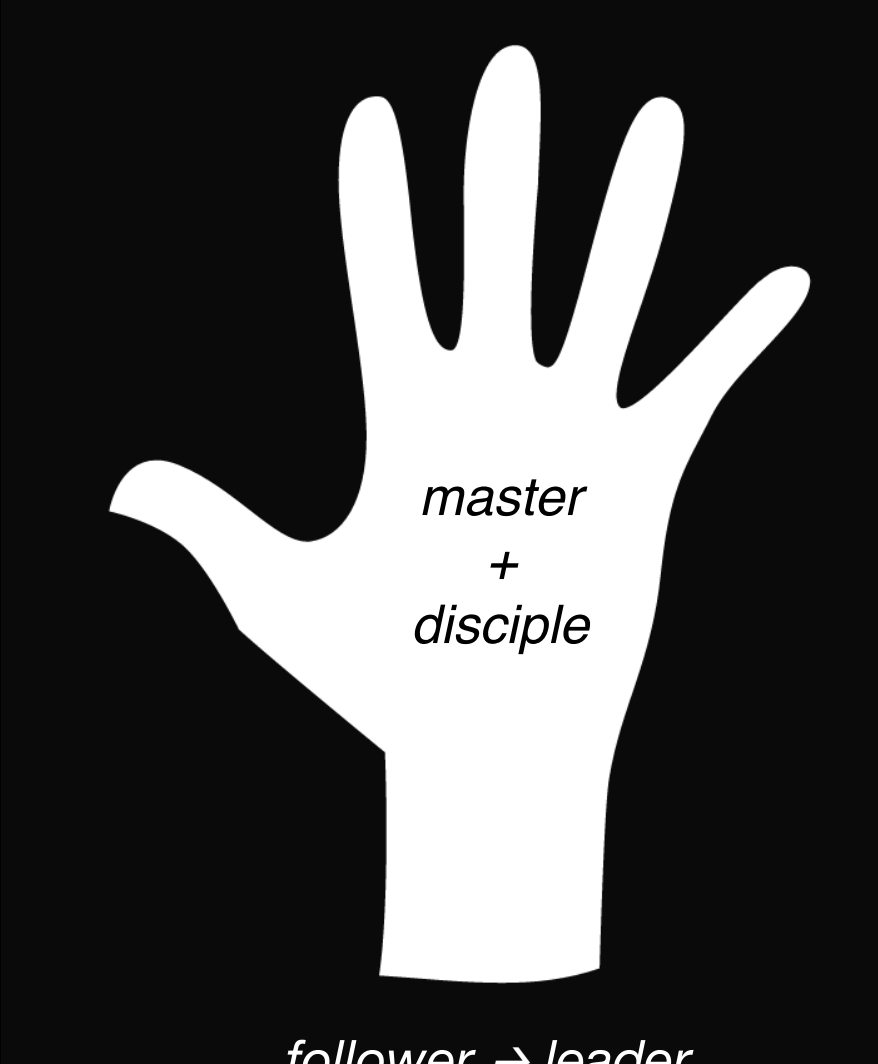

Walk with the master

See through the master

Become the master

*master*  
+  
*disciple*

*follower → leader*
