#learnings from situated learning

01 provide authentic context

02 provide authentic activities

03 provide access to expert
performances and the modeling
of a process

04 provide multiple roles
and perspectives

05

support collaborative
construction of knowledge

06 provide coaching and
scaffolding at critical times

07 promote reflection to enable
abstractions to be formed

08

promote articulation to enable
tacit knowledge to be made explicit

09

provide integral assessment
of learning within tasks

~
